

A Letter to the Teacher

In order to begin to create a vision for the year and for yourself, please answer the following prompts in a three paragraph letter to the teacher.

What excites and motivates you as a student? What bores you? What does a good classroom look like?

What are your strengths and weaknesses in English? What skills would you like to see emphasized?

What are your personal and academic goals this year? What do you want to get done by the end of the school year?
