

## Preliminary Project

Tell a story about an object in thirty to sixty seconds

Use all of the following shots (one shot may include multiple elements)

Close Up Shot

Medium Shot

Long Shot

Pan

Tilt

Zoom

Track

Pedestal

Dolly

High Angle

Eye Angle

Low Angle

Import files into Adobe Premiere – see import instructions

Edit shots to tell a story

Use titles to label shots

Add a song

Add a voice over

Export final movie to the desktop

Copy the file to RDATA into the current semester Video Production folder
